Subject: 2021 STATE OF THE DISTRICT ADDRESS

RECOMMENDATION

Receive and file presentation.

BACKGROUND

It is customary for the President of the Rossmoor Community Services District (RCSD) Board of Directors to deliver a *State of the District* address prior to election of the 2022 RCSD Board Officers.

President Jeffrey Barke will present the State of the District address for 2021.

STATE OF THE DISTRICT 2021

Presented By: Jeffrey Barke, RCSD Board President

At this first meeting of the Rossmoor Community Services District in 2022, it is my pleasure to report on the *State of the District* for 2021.

I am very proud of our Board of Directors, staff, and community in displaying resiliency during this difficult time in our history as a result of the COVID-19 pandemic. I acknowledge that this has been a stressful time and has challenged the District's resources and operations. However, it has also provided the RCSD with an opportunity to evaluate how we can better serve the residents of this community. I am happy to report that I believe we have made significant progress in a number of areas.

First of all, the District's financial outlook remains strong. Financial stability and transparency is a priority to the RCSD Board of Directors. We anticipate staying within the Fiscal Year 2021-2022 budget and adding approximately \$100,000 to the District's reserve account at the end of the fiscal year. The District received an unmodified audit report from our auditing firm Rogers, Anderson, Malody & Scott, with no management findings.

A major undertaking in 2021 was addressing the long-standing issue of the District's street sweeping schedule. The RCSD Board and staff worked hard to secure community input about their complaints with the street sweeping schedule and parking restrictions that were negatively impacting many of them. As possible solutions were evaluated, the Board identified an odd/even street sweeping schedule that would alleviate the parking issues by offering alternative side of the street parking. This has not been an easy process, and began with securing the support of outgoing Orange County Second District Supervisor Michelle Steel, as well as newly elected Second District Supervisor Katrina Foley. Supervisor Foley took us across the finish line to secure a resolution approved by the Orange County Board of Supervisors and Department of Public Works to change the street sweeping schedule to the first and third Mondays for odd addresses, and the first and third Tuesdays for even addresses. Funding was also provided to cover the additional cost of the new street sweeping schedule. I am proud to announce that at the December 2021 RCSD Board meeting, a contract services agreement was approved with Sunset Property Services to provide street sweeping services to Rossmoor beginning January 2022. While this is a major stride, staff continues to work with Orange County Sheriff's, Public Works, and our vendor to focus on the day to day operations. We will make adjustments as needed. I encourage our residents to be patient and understand that there will be a learning curve with this significant change.

RCSD staff was successful in receiving a \$180,000 per capita grant and has utilized portions of the grant allocation for the resurfacing of the Rush Park parking lot, upgrade the audiovisual equipment in the Rush Park Auditorium, and revitalize the playgrounds at Rush and Rossmoor Parks, including repairs of the rubberized surfaces and play equipment. In addition, the flooring at Rossmoor Park and Montecito community centers were replaced with new luxury vinyl tile flooring. Other projects in progress include the addition of a picnic shelter at Rossmoor Park, HVAC replacement at the Rush Park administrative building, and upgrades to the Rossmoor Park ballfields. RCSD facilities and parks are heavily used by the Rossmoor community and we strive to keep them well-maintained and safe. Staff continues to work through the phases of the grant process to meet the appropriate deadlines for the funding.

State of California COVID relief funds were designated to provide assistance to counties and cities. Because RCSD is a special district, we were not part of the funds being allocated from the state. However, working with the California Special District Association, RCSD staff was part of a major lobbying program that successfully directed millions of dollars towards special districts across California. Rossmoor experienced revenue losses, staffing shortages, and increased maintenance costs associated with sanitizing facilities in compliance with COVID safety guidelines. I am pleased to report that the District will receive fiscal relief funding in the amount of \$48,578 from the California Department of Finance to offset the impact to our budget. Additionally, a separate grant funding application has been submitted to FEMA requesting COVID relief funding.

A major concern last year was the legislative redistricting that was underway throughout the State following the 2020 census. The Independent California Citizens Redistricting Commission was formed to use the new census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization district boundaries. The Orange County Board of Supervisors Districts were also re-formed. The RCSD Board learned that some of the draft maps being considered would place the District with the City of Long Beach, which would place us with Los Angeles County representation. Therefore, a Special RCSD Board meeting was held on October 19, 2021 where a resolution was adopted that was used to formally express the District's desire to remain in Assembly, State Senate, and Congressional Districts that are not shared with the City of Long Beach; and instead remain in Orange County based Districts. The resolution was submitted for consideration to the Redistricting Commission. After extensive lobbying by our Board and constituents, I am pleased to announce that it appears we were successful in staying within Orange County boundaries with agencies that are connected geographically and with similar interests and/or concerns to Rossmoor.

RCSD takes pride in its urban forest. The District continues to manage over 5,000 park and parkway trees, and planted approximately 208 new trees while overseeing the trimming of over 2,000 trees. The RCSD has earned the "Tree City USA" for the eleventh consecutive year and will be planning an Arbor Day celebration in 2022.

As President, it has been my goal to listen to constituents and facilitate excellent service to our residents. The RCSD Board has joined me in this effort. As a result of a couple of issues, RCSD Board meetings became quite well attended, especially for the public comment portion of the meetings. Although highly spirited, the Board was able to absorb the comments made and listened to what was being shared. Specifically, the local control/latent powers topic was discussed at community forums and is now being worked on by a specially-formed committee of two RCSD Board members, two RHA Board members, and our General Manager to secure community input and make recommendations on how to move forward. It became apparent that the goal for all of us is to determine how to obtain

the best services for Rossmoor residents and that a methodical, careful approach was warranted.

The RCSD Board and staff also collaborated with Orange County Waste and Recycling and CR&R Incorporated to roll out the new three-bin waste and recycling collection program that requires all agencies in California to provide organic waste collection services. This is another major change to the residents of the District and we are moving through the process of changing out containers with new lids to identify the proper disposal bins for items. Again, please have patience – our District staff is available to assist you with questions you may have.

The first ever bulky item clean-up event was also coordinated with CR&R and OCWR to provide residents with an avenue to rid their properties of large items. The event was held at Rush Park and was a major success. Over 250 vehicles brought approximately 17 tons of white goods, e-waste, and bulky items for collection. We look forward for the next event in Spring 2022.

Because there were very limited special events due to the pandemic in 2020, it was important to the RCSD Board to provide safe programs for our residents in 2021 as restrictions relaxed. The goal was to offer events to encourage the community to enjoy their friends and neighbors in an outdoor setting. While RCSD budgeted for smaller events, with the assistance of our generous sponsors, we were able to provide these expanded programs to the community. I would like to take a moment to thank our sponsors for being so generous to the District by offsetting the costs for these events. Second District Supervisor Foley provided a \$10,000 grant, and numerous other businesses and non-profits contributed to the festivals. We appreciate their generosity.

I commend the RCSD staff for creating and providing much-needed relief to families and residents through the five Family Foodie Festivals and the Winter Festival. The programs were very successful and highly attended with approximately 3,000-4,000 participants at each event. These events featured food trucks, entertainment, games, vendor booths, and a kids zone with slides, a rock wall, and moon bounces. Each event also featured a band and dancing.

In closing, it has been a privilege to serve the Rossmoor community as President of this Board. I appreciate my colleagues on the RCSD Board and their dedication. RCSD staff continues to consistently serve and care for our residents. Our fiscal position is strong, and our community's low crime rate and friendly, caring, residents make Rossmoor one of the best places to live in Southern California.

RCSD TREE DEPARTMENT YEARLY REPORT ON THE URBAN FOREST 2021

In 2021, the RCSD Tree Department planted 208 trees in Rossmoor parks and parkways. The new trees replaced trees that were previously removed for various reasons including: disease, age-related wood decay, high-risk hazard ratings and weather/root-related failure. Three trees were removed to accommodate driveway approach relocations. There were 33 reported limb failures with limbs larger than 2" in diameter and of those, 90% were weather-related. There were 7 complete tree failures: 5 were a result of high winds and 2 during calm weather. One fell at Rossmoor Park and upon having the roots and soil tested by a local soil laboratory, it was determined that soil fertility and suitability at the location likely caused the roots to fail. The District Arborist is working with the Parks Superintendent to correct soil and irrigation conditions at the parks. The second tree that failed in calm weather was on a residential parkway; the cause was determined to be unforeseen root decay, which was either caused by a fungal pathogen or poor site conditions. This failure caused a total vehicle damage claim which was accepted and paid out by District Insurance Company CJPIA. There were 2 additional insurance claims for damages to vehicles from failed trees; both rejected by CJPIA. A tree in Rush Park was knocked down by an event vendor and that vendor paid the RCSD for damages and a replacement tree that has been planted. There were a total of 445 resident service requests and inquiries regarding trees. The maiority of these were for: tree planting options and trim requests with tree-health concerns, treework inquiries and limb failure reporting rounding out the top five. While there are many challenges with our trees being affected by biotic factors caused by pests and bacteria along with abiotic factors such as drought, soil, and climate conditions, people pose one of the biggest threats to our trees. Unauthorized pruning and removal, artificial turf around trees, lawn mower and weed-wacker damage, root pruning and lack of irrigation are just some of the issues we face in protecting Rossmoor's trees. In the coming year, the RCSD Tree Department will continue to promote, protect, and maintain a healthy urban forest in Rossmoor. The following are some of the practices that will be used as part of the District's Urban Forestry program:

Planting Trees

- Replace removed trees vacant parkways and park sites.
- Promote an age and species diverse urban forest.
- Encourage residents to take part in the tree selection process.
- Continue to offer memorial tree plantings in Rossmoor Parks.

Caring for Trees

- Prune all trees on a four-year grid cycle, with one grid area being trimmed each year.
- Order supplemental trims as needed, for crown thinning and structural pruning of young trees.
- Trim for safety and clearance with the assistance of Orange County Public Works.
- Pruning and re-staking of trees by RCSD staff when possible.
- Water newly planted or drought stressed trees as needed.
- Respond to resident service requests in a timely manner.

Monitoring Trees

- Assess and monitor trees regularly for health, maintenance, and safety issues and trim or remove if necessary.
- Respond promptly to resident service requests for safety concerns.

Protecting Trees

- Respond accordingly to parkway tree policy violations such as unauthorized trims, removals, and plantings.
- Issue administrative citations and fines for unauthorized trimming or removal.
- Send letters of correction requesting residents to remove items such as swings and signs that are affixed to parkway trees and to remove artificial turf from around tree bases.

Educating the Public

- Distribute new homeowner welcome packets to inform new Rossmoor residents of the RCSD tree policy.
- Keep the District website updated with information pertaining to Rossmoor's Urban Forest.
- Include tree-related policy information in the RCSD newsletter.
- Host an Arbor Day Celebration to highlight the trees of Rossmoor and to educate citizens on the benefits of trees.

AGENDA ITEM D-2

Date: January 11, 2022

To: Honorable Board of Directors

From: General Manager Joe Mendoza

Subject: MONTHLY TRAFFIC SAFETY UPDATE

RECOMMENDATION

Review and discuss information provided.

BACKGROUND

President Barke has requested the Rossmoor Community Services District (RCSD) staff provide a monthly update to the RCSD Board of Directors to keep the Board and community informed of measures being taken to address traffic safety within the Rossmoor community.

INFORMATION

Since the December RCSD Board meeting, there has not been a Community Traffic/Safety Advisory Committee meeting. However, work is continuing to progress in the following areas:

- The General Manager continues to work with the City of Cerritos regarding arrangements for the portable radar black box that the City is loaning the RCSD. While the black box has been delivered to RCSD, there has been a delay with the City of Cerritos being able to provide the computer that comes with the black box. Due to the restrictions regarding placing portable devices on Edison-owned electrical poles staff drove the District and sought permission of residents with trees that would provide the same view in order to secure results. Therefore, locations have been determined for the black box. *Update: staff is still waiting for City of Cerritos personnel to provide the laptop associated with the black box. Due to the holidays and COVID-19 issues for staff in Cerritos, their availability has been limited. We continue to work together on this for the future.*
- The Traffic Safety Committee discussed possible solutions regarding parking issues on the arterial streets along Montecito Road and Bradbury Road. As requested, the General Manager has contacted the City of Seal Beach and is in the process of scheduling a meeting with the owners at the Shops at Rossmoor in order to engage in a discussion regarding the utilization of the parking lot behind the Rossmoor and Seal Beach condominiums and townhomes. Committee member Ralph Vartabedian is researching the number of parking spots within each homeowner association and will provide an analysis of usage at the next Community Traffic/Safety Advisory Committee meeting. Traffic Committee member Kevin Pearce is gathering information regarding permit parking and enforcement programs from other agencies. <u>Update</u>: at the next Community Traffic/Safety Advisory Committee meeting these items will be discussed.

• The General Manager is working with CHP to schedule educational driver and bike safety workshops in 2022 that CHP has offered to provide to the District.

Tentative dates for the next Community Traffic/Safety Advisory Committee meeting are Thursday, January 27 or Thursday, February 3 have been identified. Once the new RCSD President makes the Board assignments to the Committees, the General Manager will confirm the meeting date.

AGENDA ITEM D-3

Date: January 11, 2022

To: Honorable Board of Directors

From: General Manager Joe Mendoza

Subject: STREET SWEEPING UPDATE

BACKGROUND

The Rossmoor Community Services District (RCSD) Board of Directors have been working diligently on bringing a new street sweeping schedule to the District to better serve our residents and to alleviate the parking issues associated with the previous street sweeping schedule. With the support and assistance of County of Orange Supervisor Katrina Foley (Second District) an ordinance to allow for sweeping to be done on alternate days and sides of the street, and funding, was approved by the Board of Supervisors.

The new schedule provides street sweeping on the first and third Mondays for oddnumbered addresses, and the first and third Tuesdays for even-numbered addresses, thus providing residents and visitors with parking alternatives to avoid an unwarranted parking violation ticket. This new schedule will increase service days and cost, therefore the District requested service quotes from numerous street sweeping companies.

At their Special Meeting of October 19, 2021, the Board of Directors approved Amendment 1 to the Cooperative Services Agreement MA-080-19011372 between the County of Orange and the Rossmoor Community Services District for Street Sweeping Services and authorized the General Manager and General Counsel to make any non-substantial changes necessary. The motion passed 4-0 with Director Nitikman absent. The Agreement included a provision to increase the funding from Orange County Public Works for street sweeping from \$60,000 to a maximum of \$80,000 per year.

At the December 14, 2021, RCSD Board meeting, the Board approved the Contract Services Agreement with Sunset Property Services in the amount of \$78,458.32. This amount does not impact the District's budget as Orange County Public Works will cover the cost of the new street sweeping schedule up to \$80,000.

INFORMATION

The RCSD has been on the street sweeping schedule of the first and third Mondays of each month between 8:30 a.m. and 4:30 p.m., for over 30 years. Thus the new street sweeping schedule is a major change. The General Manager and RCSD staff have been working to inform residents of the new street sweeping schedule through the District website, social media announcements, flyers at special events (i.e. Family Foodie Festivals, Winter Festival, Senior Meal Gap Program gift card distribution days, etc.), a door hanger announcement that is being delivered to all residents. In addition, banners and signs have been placed throughout the District for residents to see as they travel through the community.

Sunset Property Services (Sunset) has been working closely with the RCSD as they made plans to start servicing Rossmoor on Monday, January 3, 2022. While we acknowledged there would be a learning curve and glitches that would need to be worked out, District staff and Sunset are committed to making the new schedule work for our residents. It has been a pleasure working with our new vendor and their Site Operations Manager Andrea Howhannesian. Sunset's first week of service because of the recent rain and winds in late December. The first day we also recognized that some residents use street sweeping day as an opportunity to blow off their entire yard and driveway onto the street. This practice is not acceptable and created a greater debris along the streets that slowed the service down and caused additional trips to the dump. As a result, staff and Sunset is working with the County to assist in notifying residents and asking for their cooperation in not moving yard debris into the street. A campaign to educate our residents and landscapers is underway.

This past month, the challenge has been with working with the Sheriff's Department regarding the appropriate signage that will be used to allow for parking enforcement on street sweeping days. Orange County Public Works and the Sheriff's Department have initially agreed to change out the existing street sweeping entry signs and we will be meeting soon to discuss additional signs that may be needed throughout the community. Parking enforcement will not be done through the month of January as residents become accustomed to the new schedule.

Overall the first week was a huge success. Out of 3,500 residences, approximately 25 inquiries regarding missed service and concerns about trash bins in the street blocking the street sweeper were fielded. One report was that Inverness Drive did not receive any service on either Monday or Tuesday. After talking with Sunset, they reviewed the GPS records and acknowledged they missed the street. They sent a street sweeper out on Wednesday to provide service. The General Manager toured the District and was pleased with the overall performance and cooperation from our residents in parking on the alternate sides of the streets.

This is a major change within our community and we appreciate the patience of our residents in understanding that this is a new schedule and there will be a learning curve. If residents have concerns, please call the District office at (562) 430-3707 or Sunset at (949) 551-5151 or customerservice@sunsetpropertyservices.com.

NEW STREET SWEEPING SCHEDULE TO BE IMPLEMENTED

The Rossmoor Community Services District (RCSD) Board of Directors is pleased to announce a new street sweeping schedule will be implemented in Rossmoor beginning January 3, 2022. Because you were one of the many individuals who participated in a public stakeholders meeting on October 3, 2019 to discuss alternative options to the street sweeping schedule, we wanted to inform you of the new street sweeping program. The RCSD Board appreciated the interest and comments from those in attendance at this meeting and while it has taken some time to get to where we are today, we are excited to be at the inception of the new program.

The new street sweeping schedule will provide parking alternatives to residents because street sweeping will be provided to odd-numbered sides of the street on the first and third Mondays of the month, and to even-numbered sides of the street on the first and third Tuesdays of the month. Residents will continue to be subject to tickets when in violation of parking restrictions, however, by implementing the new odd/even alternating schedule residents will have alternative parking available within walking distance of their homes.

The RCSD December 2021 Newsletter outlines the new street sweeping schedule in more detail and includes the schedule for 2022 and a map of the routes. The newsletter can be accessed on the District website: <u>https://www.rossmoor-csd.org:8443/</u> and following the "District Newsletter" link.

Other Announcements of Importance:

- Please plan to join us on Saturday, December 11, 2021 for the RCSD Winter Festival at Rush Park from 4 p.m. – 9 p.m. There will be entertainment, a snow play area and kids carnival, food trucks, craft vendors, and holiday fun. A booth will also be available with information about the new street sweeping schedule.
- Rossmoor residents age 65 years or older are invited to receive a \$200 Sprouts gift card through the Senior Meal Gap Program offered in collaboration with Orange County Second District Supervisor Katrina Foley as part of the allocation through the American Rescue Plan Act (ARPA) of 2021. The gift cards will be distributed at the RCSD Office at Rush Park beginning Monday, December 13 through Saturday, December 18 from 10 a.m. to noon (one per household, while supplies last). Additional eligibility and verification details are available on the District website and in the Newsletter.

We appreciate the patience of the community as the RCSD Board has worked diligently to find a solution to the ongoing complaints from residents about not having a place to park on street sweeping days. The Board also gives special thanks to Orange County Second District Supervisor Katrina Foley and OC Public Works for working with RCSD to support this solution.

Thank you again for your interest in the Rossmoor community. Please share this important information with your neighbors.

Sincere Jeffrey Barke RCSD Board President

Street Sweeping

Clean & Green

Help keep your storm drains clean & our services effective; please move parked cars from the streets during their scheduled service days.

Residential Street Sweeping

Red / Odd – 1st/3rd Mondays Blue / Even – 1st/3rd Tuesdays Sunset Property Services is proud to partner with Rossmoor to provide districtwide street sweeping services. We are reaching out to residents to bring awareness of the importance of street sweeping and to remind residents of the days your streets are swept. Many residents are unaware that street sweeping is not provided just for the beautification of your community; more importantly it's for the benefit of our environment.

The more obvious benefit is the collection and removal of paper, leaves, and other visible debris that collect in the gutters. This debris can block storm water facilities, causing localized flooding during heavy rains. An equally important, but less visible benefit is the removal of metal particles and other hazardous waste products left by motor vehicles. Although they are virtually invisible, these particles can be extremely harmful to fish and other wildlife if they reach our creeks, rivers, beaches and bays. Street sweeping is an effective method of removing both the large and microscopic pollutants that collect on community streets.

Unfortunately, for every vehicle parked on the street on sweeping day, the sweepers have to maneuver the length of two cars to safely service the street; leaving over 40 feet un-swept. Help keep our oceans, streets, and storm drains clean by keeping our services effective; please reference your street's days of service and move parked cars between the hours of 8:30 am & 4:30 pm on these days.

To date, the overall tree budget is within our budgeted amount. However, we anticipate going over budget due to unanticipated tree trimming and removal of a number of park trees for safety reasons. To date, we are over in 10-80-5656 Tree Trimming and will review this at mid-year and make appropriate adjustments. We are taking a proactive aggressive approach to minimize potential liability. Rossmoor has an aging urban forest in many areas and we are addressing these areas. Staff is concentrating on park trees due to the large number of visitors at our parks.	Overage is attributed to the service fee being charged to the District for credit/debit card payments from facility users by LADCO which is the processing platform used by RecDesk. In the effort to reduce cash handling, increased usage of credit/debit cards by patrons has increased substantially. An evaluation of how to reduce the fee through another platform if allowed through RecDesk is being looked into; and whether to incorporate the convenience fee into the usage fee or pass the fee on directly to the patron will be considered when reviewing facility usage fees in the future.	The General Manager and Accountant are going through the records and detail sheets and will propose budget adjustments during the mid-year budget review.	Water at Rossmoor Park is well over budget. An audit has been conducted by our water supplier and there are no leakage concerns. However, due to the COVID pandemic, staff has been washing playgrounds, courts, etc. more often. We also determined that we were over-watering during the summer months and will make adjustments to curtail the use of water in the upcoming year.	The budgeted amount is \$39,500; and we have used 91.6% (\$36,171) of the budget. These expenditures were designated for the Family Foodie Festivals and the Winter Festival. It is anticipated there will be a few more invoices will be received associated these event in December. We anticipate going over budget, however, the overage will be completely offset by sponsorship revenue. A detailed report will be provided at mid-year budget.	During the COVID period, overtime was reduced to \$1500. However, due to the large number of special events this summer, the General Manager approved staff overtime for those events. In addition, staffing has been a challenge due to COVID with some staff off ill, and the difficulty in covering the day to day operations and assignments that needed to be completed, therefore overtime was warranted. To date, we have spent \$7,138.03. This will be adjusted during the mid-year budget process and totally offset by the sponsorships and donations received (10-00-3504) for these events.	This allocation will be adjusted during the mid-year budget review process. The overage is due to the numerous town hall meetings, public forum, and special meetings held during the last six months. These were attributed to the street sweeping schedule change, local control forums, and ethnic studies forums, etc.	Explanation

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE ROSSMOOR COMMUNITY SERVICES DISTRICT TO CONTINUE CONDUCTING MEETINGS OF THE DISTRICT BOARD AND COMMITTEES REMOTELY AS NEEDED DUE TO HEALTH AND SAFETY CONCERNS FOR THE PUBLIC

BACKGROUND

On March 4, 2020, Governor Newsom declared a State of Emergency. That declaration is still in effect. Since March 12, 2020, Executive Orders from the Governor have relaxed various Brown Act meeting requirements to allow remote meetings and to temporarily suspended the Brown Act provisions requiring the physical presence of members at the public meetings. The most recent extension of that authorization expired September 30, 2021. On March 17, 2020, in response to the COVID-19 pandemic, Governor Newsom issued Executive Order N-29-20, which suspended certain provisions of the Ralph M. Brown Act in order to allow local legislative bodies to conduct meetings telephonically or by other means. Additionally, the State implemented a shelter-in-place order, requiring all non-essential personnel to work from home. The RCSD initially implemented teleconference meetings until in-person meetings with limited capacity were reintroduced. In addition, a hybrid option was available for those who preferred to participate remotely in meeting by using Zoom technology for Board and Committee meetings. The usage of Zoom for hybrid public meetings has allowed the District to ensure the public's continued access to meetings while also ensuring the public's, members, and employees' safety.

On June 11, 2021, Governor Newsom issued Executive Order N-08-21, which among other things, rescinded his prior Executive Order N-29-20 and set a date of October 1, 2021 for agencies to transition back to public meetings pursuant to the Brown Act.

On September 17, 2021 the Governor signed into law AB 361 which allows local legislative bodies to continue to meet remotely after the October 1, 2021 deadline. A local agency will be allowed to continue to meet remotely when:

- The local agency holds a meeting during a declared state of emergency;
- State or local health officials have imposed or recommended measures to promote social distancing; and
- Legislative bodies declare the need to meet remotely due to present risks to the health or safety of attendees.

Given the ongoing nature of the pandemic we need to remain flexible if conditions worsen, especially with the upcoming holiday season and the onset of the delta variant. The RCSD meets the requirements of AB 361 to continue holding meetings remotely in order to ensure the health and safety of the public and its employees:

- The state of emergency continues to directly impact the ability of the members of the RCSD's legislative bodies to meet safely in person; and
- Federal, State or local officials continue to impose or recommend measures to promote social distancing to mitigate the spread of Covid-19.

Both the California Department of Public Health and the Orange County Health Officer have issued recommendations that members of vulnerable populations (such as older adults and those persons with an elevated risk due to certain medical conditions) continue to practice social distancing. The RCSD cannot ensure social distancing requirements are always met inside the Rush Park Auditorium and/or Conference Rooms where the RCSD Board of Directors and Committees may meet, making it difficult for members of these bodies, RCSD staff, and members of the public to consistently socially distance from each other and take other required precautions.

Pursuant to AB 361, the RCSD Board of Directors needs to declare every 30 days that the RCSD's legislative bodies must continue to meet remotely in order to ensure the health and safety of the public. Staff recommends that the RCSD Board of Directors adopt the proposed resolution making the required findings that the RCSD Board of Directors and Committee meetings can meet remotely pursuant to the requirements of AB 361.

INFORMATION

At the October 12, 2021 RCSD Board of Directors meeting, Resolution No. 21-10-12-02 was passed unanimously. Subsequently, the RCSD Board has passed updated resolutions in November and December 2021.

As required by AB 361, an updated resolution is being presented to the Board this evening so that the RCSD may continue to have the ability to meet remotely if necessary.

- To: Honorable Board of Directors
- From: General Manager Joe Mendoza General Counsel Tarquin Preziosi
- Subject: ORDINANCE NO. 2022-01: AN ORDINANCE OF THE BOARD OF DIRECTORS OF THE ROSSMOOR COMMUNITY SERVICES DISTRICT, COUNTY OF ORANGE, STATE OF CALIFORNIA, AMENDING AND RE-ADOPTING POLICY NO. 3085, STREET SWEEPING, AS THE RULES AND REGULATIONS THAT GOVERN STREET SWEEPING WITH THE ROSSMOOR COMMUNITY SERVICES DISTRICT

RECOMMENDATION

Introduce Ordinance No. 2022-01 by reading the title only and waiving further reading and set for public hearing and adoption of thereof as follows:

ORDINANCE NO. 2022-01: AN ORDINANCE OF THE BOARD OF DIRECTORS OF THE ROSSMOOR COMMUNITY SERVICES DISTRICT, COUNTY OF ORANGE, STATE OF CALIFORNIA, AMENDING AND RE-ADOPTING POLICY NO. 3085, STREET SWEEPING, AS THE RULES AND REGULATIONS THAT GOVERN STREET SWEEPING WITH THE ROSSMOOR COMMUNITY SERVICES DISTRICT

INFORMATION

At the December 14, 2021 Rossmoor Community Services District (RCSD) Board of Directors meeting, proposed revisions to Policy No. 3085, Street Sweeping, were discussed. The revisions were specific to the changes to the street sweeping schedule that took place effective January 2022 under the Contract Services Agreement for Street Sweeping with Sunset Property Services (Attachment 1).

The proposed revisions to Policy No. 3085.30, <u>Vehicles</u>, outlines the no parking restrictions that will take place under the new schedule:

Current street sweeping no parking restrictions are posted for the first (1st) and third (3rd) Mondays on the odd-numbered side of the street and the first (1st) and third (3rd) Tuesdays on the even numbered side of the street, between the hours of 8:30 a.m. and 4:30 p.m. If the normal Monday or Tuesday designated for street sweeping is a holiday, street sweeping will occur on the following Wednesday.

At their December meeting, the Board approved the proposed amendment. Because Policy No. 3085 was re-adopted by Ordinance No. 2014-01 in 2014, it was recommended that this amendment similarly be adopted by ordinance. Therefore, General Counsel has prepared an ordinance (Attachment 2) for first reading at tonight's meeting.

With the implementation of the new schedule, parking enforcement has been suspended for the month of January 2022 as residents become accustomed to the odd/even parking restrictions. Ordinance No. 2022-01 will allow for parking enforcement in the future, pursuant to the applicable provisions of the California Vehicle Code and the Codified Ordinances of the County of Orange.

This ordinance will be brought back in February for second reading and adoption and will then go into effect 30 days thereafter pursuant to state law.

RECOMMENDATION

It is recommended that the Rossmoor Community Services District (RCSD) Board of Directors consider and approve the proposed revisions to Policy No. 3085, Street Sweeping, regarding changes to the street sweeping schedule consistent with the proposed Contract Services Agreement for Street Sweeping with Sunset Property Services.

INFORMATION

To facilitate the change in the street sweeping schedule within the RCSD, staff prepared a revised Policy No. 3085.30, <u>Vehicles</u>, which outlines the no parking restrictions that will be in place under the new schedule:

Current street sweeping no parking restrictions are posted for the first (1st) and third (3rd) Mondays on the odd-numbered side of the street and the first (1st) and third (3rd) Tuesdays on the even numbered side of the street, between the hours of 8:30 a.m. and 4:30 p.m. If the normal Monday or Tuesday designated for street sweeping is a holiday, street sweeping will occur on the following Wednesday.

Because Policy No. 3085 was re-adopted by Ordinance No. 2014-01 in 2014, staff recommends that this amendment similarly be adopted by ordinance. Should the Board approve the proposed amendment, an ordinance will be brought before the RCSD Board for first reading on January 11, 2021.

AGENDA ITEM H-1

Date: January 11, 2022

To: Honorable Board of Directors

From: General Manager Joe Mendoza

Subject: DISCUSSION REGARDING PERMANENTLY CHANGING THE DATE OF THE ROSSMOOR COMMUNITY SERVICES DISTRICT MONTHLY REGULAR BOARD MEETINGS

RECOMMENDATION

It is recommended that the Rossmoor Community Services District (RCSD) Board of Directors review and discuss the information provided regarding permanently changing the date of the RCSD monthly regular Board meetings, and direct staff accordingly.

BACKGROUND

At the November 9, 2021 RCSD Board of Directors meeting, a written comment was submitted by an individual and read into the record asking the RCSD Board to consider scheduling RCSD Board meetings on a different date and time so they are not in conflict with Los Alamitos Unified School District (LAUSD) meetings also held on the second Tuesday of the month (the District also meets the fourth Tuesday of the month – most months). President Barke requested that the item be placed on the December 14, 2021 agenda for consideration and the Board discussed possible alternative dates for meetings to avoid conflicts with Los Alamitos Unified School District (LAUSD) Board meeting.

On September 10, 2019, the RCSD Board of Directors also discussed the possibility of changing the date of RCSD Board meeting from the current second Tuesday of each month schedule to another date each month. The discussion at that time revolved around the conflict between RCSD and LAUSD meetings that would prohibit Board members attending and/or participating in the respective meetings, and would also create a conflict for residents and community members who desired to attend both agency's meetings.

After discussion, which included the availability of General Counsel Tarquin Preziosi and the videographer for the Board meetings, Doug Wood, the RCSD Board made the decision in September 2019 to keep the second Tuesday of each month Board meeting schedule and no changes were made at that time.

At the December 14, 2021 RCSD Board meeting, the Board noted that consideration could be given to changing the RCSD Board meetings from the second Tuesday to the fourth Tuesday of the month. It was noted that several of the LAUSD meetings scheduled for the fourth Tuesday of the month were not held in certain months. Thus changing the RCSD Board meetings to the fourth Tuesday schedule could reduce the number of times during the calendar year that RCSD Board meetings would be in conflict with LAUSD Board meetings.

The Board requested that the General Manager bring this item back to the Board once LAUSD had announced their 2022 Board meeting schedule.

Any permanent change to the date of the regular Board meeting would need to be approved by resolution at a future Board meeting and the public would need to be properly notified. RCSD Policy No. 5010 (Attachment 1) governs District Board and Committee meetings.

INFORMATION

LAUSD has announced on the District website the *Schedule of Board Meetings for 2022* (Attachment 2). The meetings continue to be primarily scheduled for the second and fourth Tuesdays of each month, with the following exceptions when the <u>second</u> meeting of the month (fourth Tuesday) is <u>not</u> held: February, July, August, November, December. Therefore, if the RCSD Board were to move to a fourth Tuesday of the month schedule, RCSD meetings would be in conflict seven times, rather than 12 times under the current second Tuesday schedule.

The following outlines current meeting schedules for those agencies of particular interest to the RCSD:

Agency	Monthly Board/Council Meeting Dates
Rossmoor Community Services District	Second Tuesday: January – December
Los Alamitos Unified School District	Second and Fourth Tuesdays
	Note: 2022 canceled meetings for reference: second meetings (fourth Tuesday) in February, July, August, November and December
Rossmoor Homeowners Association	Third Tuesday
City of Los Alamitos	Third Monday
· · · · · · · · · · · · · · · · · · ·	Second and Fourth Mondays
City of Seal Beach	Note: second meetings (fourth Monday) canceled in July, August, November, December

The following should be considered if the RCSD Board wishes to move their meeting date from the second Tuesday to another day of the month:

- 1. **Monday:** A number of District holidays fall on Mondays. General Counsel Preziosi is unavailable the first, second, and third Mondays of the month. Videographer Doug Wood has conflicts as well.
- 2. **Tuesday:** Legal Counsel Tarquin Preziosi currently is unavailable the first and third Tuesday of the months, LAUSD meets the second/fourth Tuesdays, and RHA meets on the third Tuesday of the month.
- 3. **Wednesday:** The Rush Park Auditorium is rented by Calvary Chapel on Wednesday evenings.
- 4. **Thursday:** Legal Counsel Preziosi is not available on Thursdays; videographer Doug Wood has availability; the Auditorium is available.

Should the Board determine they would like to change the RCSD Board meeting schedule, as noted previously, this item would need to be agendized for the February 2022 meeting with a resolution establishing the new meeting date schedule, and the second reading and adoption would be scheduled for the March 2022 Board meeting. This would allow the new schedule to be implemented in April 2022.

INFORMATION

In addition to the day-to-day operations of the Rossmoor Community Services District (RCSD) General Manager has been working on the following projects:

1. Senior Meal Gap Program: The Senior Meal Gap Program was a huge success. The dates announced for the gift card distribution were Monday, December 13 through Saturday, December 18, from 10 a.m. to noon at the Rush Park Auditorium. Included in the information was that the supply was limited and distribution would take place while the supply lasted. The eligibility criteria were that the participant be a Rossmoor resident, 65 years of age or older, valid identification and proof of residency required; one per household. On the first day of distribution, seniors began lining up at the Rush Park Auditorium prior to 10 a.m. The Auditorium was set up for the seniors and they were given brief forms to complete with the required information to document the gift card distribution. Staff and a team of volunteers greeted the seniors and assisted them with obtaining their gift card. All 350 Sprouts gift cards (\$200 each) were distributed to seniors who came to Rush Park from 10 a.m. to noon the first two days of distribution - Monday, December 13 and Tuesday, December 14. Staff and volunteers received compliments on how well-organized the event was. Patrons were provided with coffee and refreshments and enjoyed visiting with neighbors and sharing stories about living in Rossmoor.

Special thanks go to Directors Rips and Searles who were assigned to work with the General Manager to determine an appropriate program to be offered to RCSD residents. Their foresight and leadership is appreciated. Recipients were extremely pleased with the program and appreciative of the opportunity to participate. As the gift card distribution process was underway, participants enjoyed time socializing with neighbors and other Rossmoor residents. We have received many compliments about the Senior Meal Gap Program and how it was executed.

It was a pleasure serving our seniors and we look forward to adding additional recreational opportunities and services for this population. Thanks to Supervisor Foley for including our District in the program funding provided by the American Rescue Plan Act (APRA) of 2021. Staff has submitted the final summary to the Orange County Community Services Program Manager. Special thanks to our

- 2. Changing of Orange County Supervisorial Districts: On Wednesday, January 5, 2022, the General Manager met with Supervisor Katrina Foley and thanked her for her support and service to our District. Supervisor Foley acknowledged that the highlight of her year was assisting Rossmoor in obtaining the street sweeping schedule change. She is very pleased to have served the District. Effective, January 7, 2022, the RCSD will be represented by District 1 Supervisor Andrew Do. The General Manager also reached out Supervisor Andrew Do's Office and spoke to the representative that will be our liaison, Ophelia Garcia. Ms. Garcia was very supportive and enthusiastic about working with the District. She is looking forward to establishing a relationship with Rossmoor and providing services to the District. She is well aware of issues within the community and will be meeting with the General Manager to tour the District. Ms. Garcia also indicated they will be scheduling a Meet and Greet with the Board and a Roundtable outreach with Supervisor Do in the future.
- 3. <u>Chamber Awards and Inaugural Luncheon</u>: RCSD continues to support the Los Alamitos Chamber of Commerce which serves the Rossmoor community. On Friday, February 3, 2022 the Chamber will host their annual Awards luncheon at the Rush Park Auditorium.
- 4. <u>Local Control</u>: The Local Control Ad Hoc Committee (Directors Rips and Nitikman, RHA representatives Marian Last and Gary Stewart, and the General Manager) continue to work on the survey regarding residents' satisfaction with services in Rossmoor. It was determined that with the holidays, the new street sweeping schedule marketing program, the new recycling program being implemented by CR&R, it would be too much to add this survey to the information being sent to residents. The Committee will meet again in January and will bring a report to the Board in the future.
- 5. <u>Athletic Field Renovation</u>: The athletic (turf) fields at Rossmoor and Rush Parks are being renovated December 13, 2021 through February 1, 2022. Portions of the fields remain open to the public. RCSD staff is in the process of replacing the wood backstops and player dugout benches in preparation of the upcoming softball season. LAGSL has scheduled the infields to be laser graded and manicured.
- 6. <u>Committee Meetings</u>: Staff is working with various committees (Budget, Parks and Facilities, Tree) in setting meeting dates in preparation for the mid-year budget review, review of the proposed new accounting software, discussion regarding facility fees, review of the Audit request for proposals packet and to discuss upcoming Capital Improvements and parkway trees. These committees will be making recommendations to the RCSD Board at upcoming RCSD Board meetings. The 2022 Committees will be appointed by the new RCSD President.
