**ROSSMOOR COMMUNITY SERVICES DISTRICT  
ANNOUNCES RECRUITMENT FOR NEW GENERAL  
MANAGER**

June 13, 2012

The Rossmoor Community Services District is in the process of reorganizing its management of the District. As part of its succession planning, a decision was reached by the Board at a previous meeting to make a transition from HTGroup, an independent contractor, to an employee General Manager.

Part of the reasoning was that state law now prohibits the use of an independent contractor in a position which should be filled by an employee. Further, Consulting General Manager Henry Taboada had reduced his hours to a four-day work week and had indicated a desire to work fewer hours if possible. The Board therefore has elected to hire a part-time (20 hours per week) employee General Manager and to utilize HTGroup (Taboada) as an external affairs consultant. This will enable a smooth transition for the new General Manager and maintain the experience of HTGroup for a while longer.

At an appropriate time, as determined by the Board, the General Manager will become full time and HTGroup will be available, as needed. A Job Announcement will be made public today and the recruitment process will commence. The most qualified applicants will be interviewed by the Board and a selection will be announced at a future meeting of the Board.###
